JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Friday - 14 June 1968

- 25X1 1. [] Mike Finley, on the staff of
STAT Representative Dante Fascell, called and asked if the Agency had an
STAT interest in [], who some years ago stole a shrimp
STAT boat, went to Cuba, has subsequently returned to the U. S., and is
STAT now being held by the U. S. Marshall in Miami. After checking with
STAT WH Division, I advised Finley that we had no connection with []
STAT Finley thanked me for the information, saying that Florida newspapers
STAT have attempted to interview [] but have not been allowed access
STAT to him by the Bureau of Prisons. He said he wanted to be certain
STAT that [] was not involved with us.
- 25X1 2. [] Contacted Mr. Edward Kenney,
Administrative Assistant to Senator Strom Thurmond, to advise him
that we had received the Senator's letter requesting information regarding
the 15 May edition of the Washington Observer newsletter, and should
be in touch with him on this within the next few days. Kenney thanked
me for calling and indicated this was quite all right.
- 25X1 3. [] Messrs. Brandwein, [] Maury and
25X1 [] met with Mr. George Murphy, on the staff of the Joint Committee
25X1 on Atomic Energy, and briefed him on the status of the Chinese Communist
and Soviet Union atomic energy and missile programs. (See Memorandum 25X1
for the Record for details.)
